Oski's Golden Fart is one of the best cards in the game!—Especially if you are playing with more than two players. Just don't let someone steal it from you before you play it!

Action Cards

I Prefer Your Fart

Action Card
Sometimes another's fart smells sweeter.

Take a Secondary Fart from another player's Location and drop it in your Location. Then take a *Normal Fart* from your Location and drop it in that player's Location. If you cannot do this, you cannot play this card. You may still drop two of your own farts as usual.

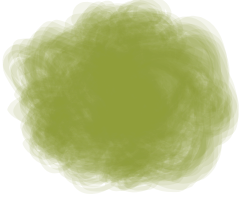

x 1

Lingerer

Action Card
 Play on the Primary Fart in your Location (but not on a *Fart Juice*).
Nothing will get rid of that smell!

Your Primary Fart cannot be stolen or lost.

x 1

You will want to get hold of the *Lingerer*, and get it on your Primary Fart as soon as you can. This gives you a huge advantage in the game!

Pull My Finger

Action Card
Go on... you know you want to.

Play two *more* Action Cards on your current turn.

x 1

Shart!

Action Card
Oops! A little too much effort!

Randomly take a card from another player's hand and place it in your hand.

x 8

Baked Beans

Action Card
Extra fart power!

Drop one or two extra Farts in your Location or use to discard *Low on Gas*.

x 2

Fire in the Hole!

Action Card
 Must play all 3 cards together as one Action: *Fire in the Hole!* + *Match* + any Fart.
You adrenaline junkie!

Roll a die. On a 1 or 2, you scorch your butt and lose a random Fart from your Location to the discard pile. On a 3, 4, 5 or 6, ignition occurs! Replace by stealing up to two Farts from any Location(s). Drop them immediately into your Location (you may still drop two of your own Farts as usual), or place them in your hand, or discard them.

x 3

Match

Action Card
 Must play all 3 cards together as one Action: *Fire in the Hole!* + *Match* + any Fart.
You adrenaline junkie!

x 3

Steady Hand

Action Card
 Can only be played with a *Fire in the Hole!* combination, but is not essential to the combination.
You have the hands of a surgeon.
 You succeed on a die roll of 2, 3, 4, 5 or 6.

x 1

Fart Soup

Action Card
You revel in the mix!

Look through the discard pile. Take any one card. Place it in your hand.

x 4

More Soup!

Action Card
 Cannot be played by itself. Play with *Fart Soup* as one Action.
"Please, sir, I want some more."

Choose two cards from the discard pile instead of one. Place them in your hand.

x 1

Cut the Cheese!

Action Card
You can't help but enjoy the smell.

Look at another player's hand. Take one card. Place it in your hand.

x 4

Counter Cards

Knife's Blunt

Counter Card
Wouldn't cut warm butter!
 Counters *Cut the Cheese!*

x 1

Gas Mask

Counter Card
Your post-apocalyptic preparations pay off!
 Counters the effects of *Oski's Golden Fart* on you only. Goes dead.

x 1

It Was Him!

Counter Card
You roll on him.
 Redirects *Fart Police* to a player of your choice.

x 1

Can's Empty!

Counter Card
 Goes dead.
"Why wasn't this thrown out?" you shout as you place it back on the shelf.
 Counters *Air Freshener*.

x 2

They Don't Fit!

Counter Card
They grow so fast...
 Counters *Fresh Undies*.

x 2

Wasn't Me

Counter Card
Deny. Deny. Deny.
 Counters *Fart Police*.

x 3

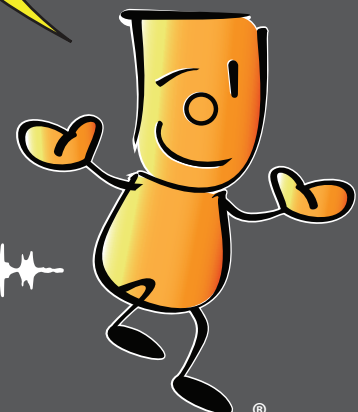

Fresh Undies

Counter Card
"Don't worry, dear. I have a fresh pair in my bag."
 Counters *Shart!*

x 4

These Counter Cards come in very handy. The trick is hand management. You can only draw to 8 cards, so the more you keep in your hand, the fewer cards you are allowed to pick up on your next turn.

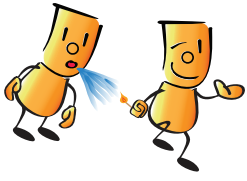

Ask your parents how old you were when they stopped carrying around *Fresh Undies* in their bags for you!

Interrupt Cards

Blow it Out

Interrupt Card
Play on any *Fire in the Hole!* attempt, except where there is a *Steady Hand*. Goes dead.

Mess with them!
Increases the chance of failure to a die roll of 1, 2 or 3.

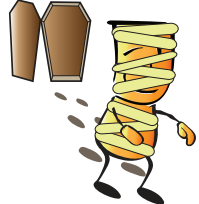

x 1

Resurrect

Interrupt Card
Play at any time. Goes dead.

So stinky, it raises the dead!
Choose any one card from the dead pile (except *Oski's Golden Fart*) and move it to the discard pile.

x 1

Catch & Release

Interrupt Card
Play immediately when another player drops a Fart. Goes dead.

You have the reflexes of a ninja! You catch the fart in your hand, and release it in another Location.
Steal the Fart just dropped. Immediately drop that Fart in your Location, or in another player's Location. If you cannot do this, you cannot steal it!

x 2

Air Freshener

Interrupt Card
Play at any time. Goes dead.

That smells nice!
Remove any one Fart from any Location and place it in the discard pile. Does **not** work on a Primary Fart protected by the *Lingerer*.

x 3

Everyone wants Interrupt Cards, particularly *Air Fresheners*. In certain games, the *Catch & Release* can be very powerful. I'll let you figure out when that is!

Usually, you don't want to pick up Penalty Cards... but there are times when you do!

You can also call the *Air Freshener* an Aerosol, if you like.

Wild Cards

Fart Juice

Wild Card
That's music to my ears.
Use in place of any other card (except *Oski's Golden Fart*, *Gas Mask*, *Knife's Blunt*, *Fresh Undies* and *Lingerer*).
Goes dead if used as an Interrupt Card.

x 2

Penalty Cards

Fart Police

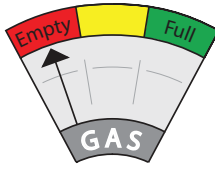

Penalty Card
You are caught by the Fart Police.
Randomly lose a Fart from your Location to the discard pile.

x 3

Low on Gas

Penalty Card
Your bowels refuse to co-operate.
You cannot discard this card. It fills up a place in your hand.
